

# International Human Resource Management U58076 (Semester 2)

[View Online](#)

---

## 47 items

---

This subject attracts a wide variety of textbooks which essentially cover the same functional area so to recommend one specifically is difficult. Therefore, this module includes selected chapters in a core reading file so no need to buy a core text. However, if you do want to buy chose the core text listed below and supplement the weekly reading with your own study of that text.

---

## Core text (4 items)

---

**International human resource management** - Peter J. Dowling, Marion Festing, Allen D. Engle, 2017

[Book](#) | Essential

---

**International human resource management: globalization, national systems and multinational companies** - 2017

[Book](#) | Optional | This text is different from the other traditional IHRM texts. It tackles the issues raised by cross-national differences in HRM styles. It identifies a number of key themes that underpin HR issues in international context, such as management development, pay and reward, and recruitment and selection.

---

**International human resource management: globalization, national systems and multinational companies** - Tony Edwards, 2017

[Book](#) | Optional

---

**International human resource management: globalization, national systems and multinational companies** - Edwards, Tony, Rees, Chris, 2011, [i.e. 2010]

[Book](#) | Optional | This text is different from the other traditional IHRM texts. It tackles the issues raised by cross-national differences in HRM styles. It identifies a number of key themes that underpin HR issues in international context, such as management development, pay and reward, and recruitment and selection.

---
